

FISCAL SPONSORSHIP AGREEMENT

Below you will find a series of bullet points that outline mutual understandings between MAP Fund, Fiscal Sponsor, and Sponsee (fiscally sponsored applicant), which is intended to ensure that all parties know what to expect in the event of an award. Sponsor and Sponsee signatures are required below.

Please contact mapinfo@mapfund.org if you have any questions regarding this requirement.

The Fiscal Sponsor:

- Affirms that the Sponsee has fulfilled all necessary internal requirements to be in good standing with the Sponsor
- Has disclosed how and when funds would be distributed to the Sponsee after the grant award period begins
- Has disclosed all potential administrative fees to the Sponsee

The Sponsee:

- Affirms that they have received information about how and when the Sponsor would distribute funds
- Affirms that they have received information about any potential administrative fees that the Sponsor may withhold from a MAP grant
- Understands they are responsible for completing Final Report requirements
- Understands that MAP Fund cannot legally intervene on disagreements between Sponsor and Sponsee, or amongst members of the artistic team who may be designated to receive all or a portion of the funds from the Sponsor

In the event of an award, MAP Fund:

- Will notify Sponsors and Sponsees of their award status, requirements, terms and conditions
- Will initiate contracts with Sponsors only, as the sole recipient and distributor of the award to Sponsees

Agreed and accepted:

A handwritten signature in black ink, appearing to read 'Lauren'.
